Section 8 Company : **Navrachna Foundation for Entrepreneurship Development**
District: **Gautam Buddha Nagar**
Proposed iTBI Location: **Greater Noida, Uttar Pradesh – Urban Region**

Presenting For:
inclusive - Technology Business Incubator Exclusive for Women Entrepreneurs

*Private Institute

Host Institute Overview

Established on 11 July 2006 under I.T.S – The Education Group (established in 1995), the group is currently supported by over 1,200 faculty members shaping the careers of more than 15,000 students.

Approved by AICTE , New Delhi

Affiliated to Dr. APJ Abdul Kalam Technical University, Lucknow

NBA Accredited (ECE Department)

Ranking in the band of 151 - 300 in Innovation Category in year 2023.

Ranking – Excellent Band (2021)
Ranking - Band A (2020)

NAAC Accredited

Number of Academic Course Offered : 08

B.Tech in

- Civil Engineering
- Computer Science & Engineering
- Computer Science & Engineering (AI & ML)
- Computer Science & Engineering (Data Science)
- Electronics & Communication Engineering
- Electrical & Computer Engineering
- Mechanical Engineering
- Electronics and Communication Engineering for working professionals

Total No. of Teaching Staff : 211

Total No. of Students : 2947

MBA - Master of Business Administration

Infrastructure

- Makers Space and Fabrication Lab
- 5 Seminar Halls, 2 Auditoriums and 4 Conference halls
- 08 Centre of Excellence (COE) on High end Technologies
- MATLAB Simulation, eYantra - IITB Lab, NI Lab
- Intel Unnati Lab, Apple -iOS Lab, Rockwell Automation Lab
- SMC Lab, AWS Academy Lab
- 74 Laboratories & Workshops (All Computer Labs are fully Air-conditioned)
- 43 Lecture Halls Fully AC, 10 Tutorial Rooms

03 incubators are in the our region out of **72** in Uttar Pradesh under **UP StartUp Policy**.

Need for i-TBI & Evidence

- **Proven Foundation:** Leverage our successful 5-year innovation ecosystem (DST NewGen IEDC, Startin UP, MSME HI/BI) to scale operations, offering advanced prototyping and expanded grant facilities to a broader demographic.
 - **Demographic Advantage:** Capitalize on the region's talent pool—featuring 20% female technical enrolment across 87 institutes—by providing a dedicated platform to transform female technocrats into successful entrepreneurs.
 - **Strategic Hub:** Establish the region's first women-focused iTBI to create an inclusive, vibrant ecosystem that systematically nurtures women innovators from raw ideation to sustainable enterprise creation.
 - **Cultural Shift:** Promote student-led entrepreneurship within our extensive academic network, fostering a dynamic startup culture that transforms job seekers into job creators.
 - **Ultimate Impact:** Strengthen the regional economy by drastically increasing the success rate of women-led enterprises while accelerating the development of indigenous "Make in India" technologies.
-
- **Study #1** - During the MSME Women Hackathon 3.0, our center had received 46 nationwide applications but only 3 ideas were supported by MSME. There were many other capable ideas those can be developed into a product and setup their entrepreise.
 - **Study #2** - The StartInUP Scheme provides fund only to startups registered in Uttar Pradesh only.
 - **Study #3** - The NEWGEN IEDC - DST provides fund only for POC & up-to INR 2.5 Lakhs. There is strong need to develop a market ready product.

BreakUp of Thrust Area Equipment

The proposed equipment has been selected to establish a **Product Development** and Rapid Prototyping Facility for startups in **Deeptech (Healthtech, Agritech & AI), IIOT (Smart Manufacturing & Industrial Automation), Electronics (Embedded Systems, IoT Devices & PCB Design)**. The facility will enable in-house design, prototyping, testing, validation, and pilot manufacturing, reducing development costs, accelerating time-to-market, and strengthening indigenous innovation and **startup commercialization**.
